Superintendent's Notes

Dear friends,

I am writing in a week when the world is filled with renewed hope for a brighter future with the announcement of the possibility of an effective vaccine for Covid-19. We still await confirmation as to whether it will be approved for use, but hope is definitely in the air after a year of turmoil and huge loss. The news has also brought the devastating news of deaths due to Covid-19 passing 50, 000. Every single number is a life and a loved one and we mourn their loss.

Hope tinged with reality. Into a world in need of hope came our God in Christ as Saviour and Lord. Hope was born afresh in Bethlehem and God in flesh brought the reality of challenge in the Word of life.

So this preaching plan reflects hope mixed with reality. The possibility of gathering to worship and the opportunity to engage with God in other ways too.

I am grateful, as ever, to our preachers and worship leaders for enabling us to meet with god and celebrate hope in the reality of life today. We must also pay due tribute to the stewards and others who open our churches and ensure that those who gather do so in a safe and loving environment.

So whether your worship is face to face, through reading an order of worship or by engaging on line, my prayer for us all is that this Advent, Christmas, Epiphany and following we will encounter God in our hearts and lives. Hope mixed with reality, God with us, Emmanuel.

With every blessing

A handwritten signature in black ink that reads "Andy." with a stylized flourish at the end.
